Assumptions:

- The number of licenses issued by the Tennessee Wildlife Resources Agency (TWRA) will not be impacted by this legislation.
- This legislation is estimated to have no significant impact on the operations of the TWRA; however, it will allow revenue collected from future sales of lifetime sportsman licenses to be used as operational funds for TWRA. It is assumed that such revenue will be deposited in the Wildlife Resources Fund (WRF).
- FY21-22 revenue collections from sales of lifetime sportsman licenses totaled \$3,788,965.
- Therefore, there will be a recurring increase in revenue to the WRF of \$3,788,965 and an equivalent decrease in revenue to the Fund in FY23-24 and subsequent years.
